Measures to protect complainants/reporters/witnesses and maintain confidentiality

1. Consideration of complaints To determine the level of secrecy and protection of those involved in accordance with the regulations on maintaining government secrets, B.E. 2001, and submitting the matter to the agency for consideration, the information provider And the complainant may be in trouble, for example, complaints against government officials are initially considered to be government secrets. If it's a cool card Consider only the cases with specified evidence. The surrounding circumstances are clearly evident, as well as Definitely point out only personal witnesses. Reporting information on influential people must conceal the name and address of the complainant. If the name and address of the complainant are not concealed The relevant agencies must be informed and provide protection to the petitioner as follows: "Let the commander Use discretion and order as appropriate to protect the complainant, witnesses, and persons who provide information in the investigation. Do not suffer harm or injustice that may result from making a complaint. Being a witness or giving that information." In the case where the name of the accused is specified Must protect both the complainant and the respondent. Because the matter has not yet gone through the fact-checking process and may be an accusation of bullying that will cause suffering and damage. And in the case where the complainant specifies in the request to conceal or does not wish to reveal the complainant's name, the agency must not disclose the complainant's name to the respondent agency. This is because the petitioner may have suffered as a result. of that complaint Reporting information on influential people must conceal the name and address of the complainant. If the complainant's name and address are not concealed,

the relevant agency must know and provide protection to the complainant as follows. “Let the commander use his discretion to give orders. as appropriate to protect the complainant, witnesses, and persons providing information in the investigation Do not suffer harm or injustice. that may arise from complaints being a witness or providing that information” in the case where the name of the victim is specified The accused must protect both the complainant and the respondent. Because this matter has not yet gone through the fact-checking process. and may be bullying and allegation of suffering and damage, and in the case the complainant specify In the request to conceal or not wishing to disclose the name of the complainant The agency must not reveal the complainant's name to the complaining agency because the complainant may suffer as a result of the complaint.

2. When there is a complaint The complainant and witnesses will not be subject to any action that affects their work or livelihood. If any action is necessary, such as separating the workplace to prevent The complainant, the witness, and the accused meet together, etc., with the consent of the complainant and the witness.

3. Requests from victims, complainants, or witnesses, such as requests to move workplaces or methods for preventing or solving problems. Should be considered by responsible persons or agencies as appropriate.

4. Provide protection to the complainant from being bullied.
